### 2024 Pharmacy Directory

We have made no changes to this pharmacy directory since 12/1/2023. For more recent information or other questions, please contact Longevity Health Plan Customer Services at:

Longevity Health Plan of New Jersey	1-888-899-8490
-------------------------------------	----------------

(TTY users should call 711.) The hours are 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.longevityhealthplan.com](http://www.longevityhealthplan.com).

**Introduction:** This booklet provides a list of Longevity Health Plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Longevity Health Plan’s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Longevity Health Plan. When it refers to “plan” or “our plan,” it means Longevity Health Plan.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Longevity Health Plan only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/1/23. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Longevity Health Plan of New Jersey Inc.

2024 Pharmacy Directory

We have made no changes to this pharmacy directory since 12/1/2023. For more recent information or other questions, please contact Longevity Health Plan Customer Services at:

Longevity Health Plan of New Jersey	1-888-899-8490
-------------------------------------	----------------

(TTY users should call 711.) The hours are 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.longevityhealthplan.com](http://www.longevityhealthplan.com).

**Introduction:** This booklet provides a list of Longevity Health Plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Longevity Health Plan’s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Longevity Health Plan. When it refers to “plan” or “our plan,” it means Longevity Health Plan.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Longevity Health Plan only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/1/23. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
