Section 1 - Introduction

This directory provides a list of Longevity Health Plan (HMO I-SNP)'s network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. When you select a network PCP, you'll have a dedicated physician who will focus on your individual health care needs and coordinate your care with other network providers, if needed. This allows you to keep your out-of-pocket costs lower and more predictable. If you wish to select or change your PCP, please call our Member Services Department at (866) 224-9499.

The network providers listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory. For more information on those services which require a referral, please see your Evidence of Coverage (EOC).

If you have been going to one network provider, you are not required to continue going to the same provider. In some cases, you may get covered services from a non-network provider. For more information on covered services from a non-network provider, please see your Evidence of Coverage (EOC).

If you receive a bill from a non-network provider, please do not pay the bill. Please send the bill to the below address for processing and determination of enrollee liability, if any.

Longevity Health Plan Claims Department
PO BOX 21063
Eagan, MN 55121

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations (or for out-of-area renal dialysis or other services). If you obtain routine care for non-network providers, neither Medicare nor Longevity Health Plan (HMO I-SNP) will be responsible for the costs. For more information on emergency and urgent services please refer to your Evidence of Coverage (EOC).
