## Section 1 - Introduction

This directory provides a list of Longevity Health Plan (PPO I-SNP)'s network providers.

The network providers listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat Longevity Health Plan (PPO I-SNP) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 1-888-899-8490. Our hours of operation are: 8 a.m. to 8 p.m. seven days a week (except Thanksgiving and Christmas), from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. TTY/TDD users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you have been going to one network provider, you are not required to continue going to the same provider. In some cases, you may get covered services from a non-network provider. For more information on covered services from a non-network provider, please see your Evidence of Coverage (EOC).

If you receive a bill from a non-network provider, please do not pay the bill. Please send the bill to the below address for processing and determination of enrollee liability, if any.

Longevity Health Plan Claims Department  
PO BOX 21063  
Eagan, MN 55121

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

With the exception of emergencies, it may cost more to get care from out-of-network providers. For more information on emergency and urgent services please refer to your Evidence of Coverage (EOC).
