Longevity Health Provider Alerts

Longevity Health is a clinical services company that also has a Medicare Advantage Institutional Special Needs Plan (ISNP) that serves residents in the post acute settings or that reside in long term care facilities. We will be using the alerts to communicate to our network providers in reference to contracting and credentialing processes, policy updates/changes, health information and coverage updates, and surveys.

Opt in to receive important messages from Longevity Health regarding contracting and credentialing, events, health related information, coverage updates, and surveys. **Message and data rates may apply.**

By opting in to this service, you consent to receive mobile text alerts using an automatic telephone dialing system. Consent to receive marketing text messages is not required as a condition of purchasing any goods or services.

By signing up, you are confirming you are over the age of 13.

STOP Information

Text **STOP** to 52546 to stop receiving **Longevity Health Provider Alerts** messages from Longevity Health (you will receive a confirmation text).
