Skilled Nursing Facility shall provide two (2) therapy screenings per calendar year to each Member. Any therapy screenings provided in excess of two (2) per calendar year will not be reimbursed and Plan retains the right to recover any amounts paid for therapy screenings in excess of two (2) per calendar year per Member. Skilled Nursing Facility shall not bill the Member for any therapy screening services that are denied for payment due to Skilled Nursing Facility’s failure to comply with the above.

| Supplies: Ostomy, Tracheostomy or Wound Care                                   | Per Unit via CMS Fee Schedule               |

Skilled Nursing Facility shall bill Payer for ostomy, tracheostomy, or wound care supplies only. Payer retains the right to recover any amounts paid for supplies that were not used for ostomy, tracheostomy, or wound care services for a Member.

| All Other Covered Outpatient Services                                          | Per Unit via CMS Fee Schedule               |
| Service categories not specified above in Table 1 or in Table 2 for which a Revenue Code and CPT/HCPC code are required to be billed in accordance with CMS billing guidelines. | Per Unit via CMS Fee Schedule               |

* HCPCs and CPT codes are updated annually, use current approved codes.
